NEWS

As you might be able to tell, the 3wide.com website is currently under long-term rennovation, however we have set up this page so that visitors could get a sneak peak of some of the things we have done in the past. Please feel free to browse the Diecast Cars or Logos & Graphics sections under the Design menu; or check out some of the awards we have been lucky enough to receive in the past other pages are currently inactive, but if you have a specific request for something you have acquired from this website in the past we have all files archived and will be able to send those to you upon request.

Please bookmark us if you would like to, and come back in the future when 3wideRacing.com is back fully functional. For more information now, or to be informed when the website is updated, please send an email to 3wmaininfo@3wide.com.

Thank You, 3wide.com
